Hospital sponsors one or more residency programs accredited by the Accreditation Council for Graduate Medical Education ("ACGME") or American Osteopathic Association ("AOA"), which are overseen by Hospital's Graduate Medical Education Committee ("GMEC"), Hospital's Designated Institutional Official ("DIO"), and Hospital's Program Director ("Program Director"). Hospital appoints PGY1 as a resident to receive training in connection with Hospital's residency program designated in Section 1 below, in accordance with the terms and conditions set forth herein.

1. **PGY1 Appointment.**

PGY1 is hereby appointed to participate in the Internal Medicine graduate medical education ("GME") training program (the "Program") as post graduate year (PGY) PGY1 for the period beginning July 1, 2017 ("Start Date") and ending upon the earlier of June 30, 2018 ("End Date"), which period shall be referred to as the "Training Period." As used in this Agreement, the term Program shall mean the legal entity Hospital, on behalf of its residency programs, and references to Hospital shall mean both the legal entity as well as the Program.

2. **PGY1 Responsibilities and Agreement.**

PGY1 will comply with the requirements of Hospital and of the Program, including, but not limited to:

- A. **Educational and Professional Duties.** PGY1 will fulfill all educational and professional duties, obligations and assignments in accordance with the ACGME Requirements for Graduate Medical Education and/or the AOA Basic Standards for Postdoctoral Training.

- E. **Licensure.** PGY1 will obtain and maintain a current license to practice medicine, either an educational limited training license or a full medical license, in the State where Hospital is located. PGY1 will provide documentation of licensure to Hospital upon request and will immediately notify Hospital if any license, permit or certification is restricted, revoked, suspended, or not renewed. PGY1 understands and acknowledges that failure to maintain current medical licensure will result in suspension without pay until the license is renewed or termination of this Agreement at the discretion of Hospital's Program Director.
- F. **Drug Enforcement Administration (DEA).** If PGY1 holds a full medical license, PGY1 will maintain an unrestricted DEA registration.

- G. **USMLE Step 3 and COMLEX Level 3 Testing.** PGY1 acknowledges that Hospital Policy requires PGY1 to pass the United States Medical Licensing Examination (USMLE) Step 3 or the Comprehensive Osteopathic Medical Licensing Examination (COMLEX) Level 3 before PGY1 will be eligible for promotion to PGY 3.
- H. **Compensation in Full.** PGY1 understands and acknowledges that the salary and benefits provided herein are the sole compensation for services furnished under this Agreement. Unauthorized disclosure of confidential information or of the terms of this Agreement shall be a material breach of this Agreement. PGY1 acknowledges that many healthcare providers are "covered entities" as that term is defined at 45 C.F.R. 160.103. PGY1 agrees to comply with the Health Information Technology for Economic and Clinical Health Act of 2009 (the "HITECH Act"), the Administrative Simplification Provisions of the Health Insurance Portability and Accountability Act of 1996, as codified at 42 U.S.C.A. 1320d et seq. - D. **Conditions for reappointment and promotion.** Hospital provides continuation and/or promotion in the PGY1 that is contingent upon satisfactory academic and professional performance by the PGY1 as determined by the Program Director and faculty, and in accordance with policies and procedures described in the GME Manual. Achievement of competency based goals and objectives for each level of training will be used as one measure of performance and promotion, but not the only criteria of performance. Hospital is not obligated to renew or extend this Agreement for subsequent training levels in the event that the academic and professional performance by the PGY1 is determined to be unsatisfactory, subject to the provisions of due process set forth in the GME Manual. Hospital shall provide notice to the PGY1 prior to the End Date of this Agreement regarding promotion to the next year of training or graduation from the Program.
